

## **Newsletter February 2015.**

We cannot thank you enough for your prayers and financial support. God is truly using your involvement in our ministry to bring light and empowerment to his amazing Treasures.

### **Blessing:**

Blessing, the Treasure who came to Greater Love Lighthouse (GLL) from A21, Greece, last year June, started her internship on the 20th of July, 2015, a six month internship. She will be graduating 20th February, 2016 instead of January as she has extra weeks added in order for her to make up for the days she was absent. There will be a small ceremony for her and she will be awarded a certificate of completion.

### **Victory:**

Victory, the Treasure from Ghana, is doing well in her studies and loving every bit of it.

### **Osita:**

Praise the Lord we got a donation of N100,000 (one hundred thousand naira) from Christian Welfare Association in Kaduna State, Nigeria, and we have just been able to send Osita to start her make up training in Lagos. The training costs N325, 000, and started 9 January, but due to lack of funds Osita only resumed this week. She is very excited and busy with her registration now.

### **Vegetable Garden:**

The garden is born out of the greatest desire to make vegetables like spinach, tomatoes etc. available for the Treasures in the safehouse. We are grateful to Karin and donors for donating to this laudable project.

We are also grateful to Daspan who has volunteered to cultivate the land at no fee. The GLL staff is at the verge of acquiring all that is required for this project.

### **Prayer Items:**

1. Please pray for Osita to catch up on all she has missed and for the remaining funds she needs to complete the course.
2. Pray for Blessing too as we need to set up a beauty Salon for her to start her business, where she will support herself and also assist other Treasures.
3. Pray for our staff that the Lord's grace will overwhelm them as they help the Treasures through navigating life in a new landscape. Pray that the Lord will also provide all their needs and protect their homes as well as they give their time to this ministry.
